# LAY OUT INSIDE

## Saloon Description

**The 480 has a deep-vee hull shape for a softer ride, and produces little wake at speed for those keen to strut their stuff on a wakeboard or ski.**

## Galley info

**Changing modes from seating to sunbathing to picnicking with a small table is easily managed. The bimini fitted to our test boat is a must and the other non-standard choices featured on the day**

## Main Cabin

**This unit includes an extended-range 42lt fuel tank package, stainless steel swimpladder, marine stereo with speakers, power-outlet socket**

## Head

**The fibreglass hull is the rigid component of the Rigid Inflatable Boat – RIB – and the tubes are the inflatable section.**

# FULL SPECIFICATION

## Cabin 2

**For such a small boat the carrying capacity of six people is something of a surprise but such a payload explains the popularity of inflatables as tenders to large cruisers**

## Cabin 3

**Also up front is a bow roller, stainless steel cleats and a large anchor locker as well as another storage locker with a screw- out cover to keep it watertight.**

## Equipment on board

**Gps,plotter, swimladder, stereo, bimini, cushions upholstered, etc**

# FULL SPECIFICATION

## Cockpit Description

There is forward seating on washable Sunbrella-clad cushions over the storage locker and on a twin seat forward of the console, which is set to starboard allowing a port side walkway.

## Helm position

Part of the 480's visual appeal is the neatly moulded console with its sharply raked tinted windscreen giving the boat a lithe, streamlined appearance

Enjoy the sea whenever you like. At Interyachts, your dream boat awaits, ready to make every moment unforgettable!

# RECENT WORKS & IMPROVEMENTS
